U-maker Box Raspberry Pi 4

Article number: 32-0108_C - PU 1

MODULAR BASIS FOR PROJECTS
The u-maker box offers a flexible housing for Raspberry Pi 4 projects and can be expanded with internal accessories and third-party boards. The action cam-compatible external mount allows for easy attachment, and the modular design creates space for custom electronics solutions. Compact dimensions and low weight facilitate integration into vehicles, wall mounts or mobile prototypes.
