

Product data sheet

FARE® Pocket-Umbrella SlimLite

Article number: 32-0017_C - PU 1

Umbrella for true survivalists

Whether in the city or in nature – always carry the SlimLite Adventure mini pocket umbrella with you. Ultra-light and super slim, you can easily store it in your light luggage. Alternatively, you can use the carabiner on the case to attach the umbrella to your bag or backpack. This way you stay flexible and perfectly prepared for any weather condition, whether it's a shower or rain.
