## Safety socks Stripax

Article number: 32-002200 - PU 1

**The premium work sock for real achievers**

**Fits, supports, lasts:** these socks are made for days when performance counts. The soft inner terry cloth noticeably cushions every movement, while the instep band and midfoot stabilisers ensure a secure fit. The cut-free cuff stays where it should, and reinforced padding points make them wearable even with safety shoes.
