Product data sheet

Stainless steel drinking bottle 500 ml

Article number: 32-0056_C - PU 1

Your reliable everyday companion
The vacuum-insulated Weidm& stainless steel water bottle is made from RCS-certified recycled stainless steel and reliably keeps drinks hot or cold thanks to its double-walled construction. With a capacity of 500 ml, a leak-proof screw cap and an engraved anniversary logo, it impresses with its functionality and design. Supplied in an elegant gift box – perfect as a high-quality promotional gift or staff incentive.

Material	RCS-certified recycled stainless steel
Ursprungsland	China
Zolltarifnummer	96170000
