

Product data sheet

Hakro® softshell jacket men

Article number: 32-006300 - PU 1

Softshell pro for professionals – wind & weatherproof

The navy HAKRO softshell jacket combines technical weather protection with thoughtful wearing comfort. The breathable 3-layer laminate with TRIACTIVE PRO technology protects against wind and moisture (5,000 mm water column). Details such as detachable hood, adjustable cuffs, extended back panel, YKK® zippers and the soft microfleece lining make the jacket the ideal companion for work and leisure.

Ursprungsland	Cambodia
Zolltarifnummer	62014010
Material-Textil	TRIACTIVE PRO, softshell made from 3-layer interlock laminate, 100% polyester
